

FRIDAY 3RD TO SUNDAY 5TH MARCH EPPING FOREST'S GREAT SPRING CLEAN Throughout Epping Forest

Calling on all community/local groups to participate in the Forest's Own Great SPRING CLEAN!

Working with the Conservators of Epping Forest, we are coordinating activities in Epping Forest and providing support to participating groups. It's a great opportunity to celebrate the contribution your group and all volunteers make to the Forest.

Nearer the time, we'll check with you to see what you may require. The Conservators are providing rubbish bags and post event rubbish collection and we may be able to supply litter pickers.

Hope you'll come on board!

**If you want to
run an event
that weekend
in your area
let us know,
and we'll get it
in the Forest
wide
programme**
